MATRICULATION EXAMINATION CERTIFICATE

Jesse Juhani Sissala

has completed the matriculation examination on 1 June 2024 in Finnish. Successful completion of the examination provides general eligibility for further studies in institutions of higher education. The examination is classified on level four in the Finnish National Framework for Qualifications and Other Competence Modules as well as the European Qualifications Framework.

The examination includes by the date of the certificate the following tests:

| | | |
|---------------------------------------|-------------|-----------------------------|
| English, advanced level | Fall 2023 | Magna cum laude approbatur |
| Mathematics, advanced level | Spring 2024 | Eximia cum laude approbatur |
| Mother tongue and literature, Finnish | Spring 2024 | Magna cum laude approbatur |
| Psychology | Spring 2024 | Magna cum laude approbatur |
| Social studies | Spring 2024 | Cum laude approbatur |

Grades given in tests and corresponding points are laudatur (7), eximia cum laude approbatur (6), magna cum laude approbatur (5), cum laude approbatur (4), lubenter approbatur (3), approbatur (2) and improbatur (0). If a test has been retaken before the certificate has been dated, the better grade is noted on the certificate. If it is not possible to determine which performance is best based on grade, the most recently taken test is noted on the certificate.
